

*I come before you as a simple man.  
I come as a Brother and Friend.  
I shall return you to your Source.  
I am among you till the end of the Age.  
My Love surrounds you always.  
My Heart beats in rhythm with yours.  
My Hand shall guide you and protect you.  
My Love has no bounds.*

—Maitreya, the World Teacher

Reports of miracles, involving people of all faiths and those of none, are increasingly reaching the world's media. They are all signs of the imminent emergence of Maitreya, the World Teacher, awaited by all religions under different names, explains British esotericist, author and lecturer Benjamin Creme.

This photograph shows a miracle of great significance. It is the handprint of Maitreya manifested on a mirror in Barcelona, Spain. Not a simple handprint, the image is three-dimensional in appearance, similar to the print on the Turin Shroud.

The image of the hand also has extraordinary healing properties. When you place your hand over it, or simply look at it, you are in effect *calling forth* Maitreya's healing, blessing or help—whatever is possible within karmic law. (The same effect can be produced even with a photocopy of the image.) Until He emerges fully and we see His face, this is the closest that Maitreya can come to us.

Since July 1977 Maitreya has lived in the Asian community of London, preparing for His open mission in the world. He comes as a modern man concerned with modern problems, not as a religious leader but as an educator in the broadest sense, inspiring the creation of freedom, justice and peace. His message can be summarized as: "Share and save the world."

Soon we will see Maitreya on the world's major television networks—and hear His call for sharing and justice as the only way to peace.
