

## ***A Prayer for the New Age***

I am the creator of the Universe.  
I am the Father and Mother of the Universe.  
Everything comes from me  
Everything shall return to me.  
Mind, spirit and body are my temples  
for the Self to realize in them  
My Supreme Being and Becoming.

A Prayer for the New Age, given by Maitreya, the World Teacher, is a great mantram or affirmation with an invocative effect. It is a powerful tool to help us recognize that man and God are One, that there is no separation. The Self emanates from, and is identical to, the Divine Principle.

The most effective way to use this mantram is to say or think the words with focused will, the attention at the ajna center between the eyebrows. When the mind grasps the meaning of the concepts, and simultaneously the will is brought to bear, then those concepts will be activated and the mantram will work. If it is said seriously every day, there will grow inside you a realization of your true Self.
