A CLEAR VOICE OF THE NEW TIME

## A monthly magazine featuring:

- Up-to-date information about the emergence of Maitreya, the World Teacher
- An article from a Master of Wisdom
- Expansions of the esoteric teachings
- Benjamin Creme's answers to a wide variety of topical and esoteric questions
- Articles by, and interviews with, people at the forefront of progressive world change
- News from UN agencies and positive developments in the transformation of our world

Unlike the majority of today's media, *Share International* magazine considers the entire world as a global village and all people as members of one human family. It gives its readers factual information about the injustices that persist, yet balances it with the inspired thinking of influential people in all fields and the practical solutions being implemented by little-known people in villages and cities everywhere.

The purpose of *Share International* is to inform people about the presence of Maitreya—the World Teacher—and his group, the Masters of Wisdom, as well as their priorities and teachings for the New Time: an adequate supply of the right food, housing and shelter for all, healthcare and education as universal rights, and the restoration and maintenance of ecological balance in the world. The magazine also strives to raise public awareness of what *is* being done and what still *needs to be done* across the wide spectrum of human society—life on planet Earth.
